URGENT APPEAL

TO: ALL CDCO LOCAL UNIONS, CDCO AFFILIATED TRAINING CENTRES AND MEMBERS OF THE CARPENTERS' UNION IN ONTARIO

Brothers and Sisters,

Your fellow UBCJA Sisters and Brothers in HOPE Local 2220, UBCJA, are currently working in long-term care facilities and retirement homes across the province without an adequate supply of N95 Masks.

This is an urgent appeal to any of you who may have such masks to donate them to HOPE Local 2220 so that they can be distributed to the members of our Union who are providing front-line healthcare services during this time of crisis.

Anyone who has masks to give should contact Paula Randazzo at prandazzo@hope2220.ca so that the arrangements can be made for pick up and distribution as soon as possible.

PLEASE HELP US LOOK AFTER OUR HEROIC HEALTHCARE BROTHERS AND SISTERS!
